

# NIVII LABS

(AN ISO 9001-2015 CERTIFIED COMPANY)

GST NO: 36BDJPC1607C1Z7

SERVICE IS OUR PASSION

+91 6302980996, +91 7799540799

[nivii labs.hyd@gmail.com](mailto:nivii labs.hyd@gmail.com)

Plot No-14, Vijayapuri colony, RCI Road, Jillelaguda(V), Balapur(M), Rangareddy(Dist),  
Telangana-500079, INDIA.

## CALIBRATION

NIVII LABS being the pioneer in Calibration field can calibrate the full suite of standards and instruments used in laboratory manufacturing environments. Our top-of-the-line metrology laboratory offers National Accreditation Board for Testing and Calibration laboratories (NABL) accredited calibration traceable to the International Standards of Units (SI). All of our calibration services are accredited by National Accreditation Board for Testing and Calibration Laboratories.

## THERMAL VALIDATION

NIVII LABS is a leading validation solutions provider to the pharmaceutical and healthcare industries. Our clients recognize us as the premier source for validation professionals for projects of all sizes. In order to ensure the highest level of safety and efficacy in manufactured products, all processes used throughout the manufacturing, packaging and storage facilities, are required to be validated.

### Complying to standards

• WHO-TRS-961

• ISO / IEC: 60068

### Specializes in the qualification of the following equipment

- Autoclave / Steam Sterilizer
- Cold Rooms, Warehouse and Room
- Mapping Lyophilizers mapping
- Dehydrogenation Tunnels Qualification
- BOD Incubators, Deep Freezers,
- Hot air Oven, water baths, Cooling Chambers, Tray Driers, Vertical Autoclaves
- All controlled areas temperature and humidity mapping

## HVAC & Clean Room Validation

NIVII LABS provides Clean Room and Area Validation services with complete set of latest equipments by experienced engineers. Our primary area of quality service is fulfilling validation, regulatory and compliance services from stand-alone automated equipment to start-up, commissioning and validation of new facilities.

### Complying to Standards

- ISO-14644-1, 2, 3
- EU-GMP / EC-GMP
- WHO-TRS-937
- WHO-
- TRS-961 SCHEDULE M

### Services Offered for Clean Room Validation

- Air flow Test & ACPH Calculations
- Installed Filter System Leakage Test
- (using PAO) Non-Viable Particle Count Test
- Recovery Test
- Air Flow Pattern Test (Using Water Fogger)
- Air Pressure Balancing
- Light Intensity
- Measurement Sound Level Measurement

## PLC , CS & Spread Sheet (Excel) Validation

NIVII LABS Offers Turnkey Validation services compliant to 21CFR part 11/Annex 11 regulations in pharmaceutical industry. We undertake complete turnkey Validation from basic to detail on PLC, computerized systems & Spread Sheet (Excel) based on GAMP guidelines.

### Services Offered

- PLC with HMI / SCADA Systems Validation
- Validate Building Management (BMS) & Environment Control Systems
- Computer Based Systems in Laboratory Spread Sheet
- Development & Validation
- PLC, HMI, SCADA Trouble Shooting &
- Programming

## Steam Quality Test

**NIVII LABS provides steam quality test with below mentioned measurements**

- Detect Non-Condensable
- Gas Dryers
- Super Heat

## Compressed Air Validation

### Services offered for compressed air

- Water vapour (Moisture Content)
- Carbon Monoxide-CO
- Carbon Dioxide-CO<sub>2</sub>
- Sulphur Dioxide-SO<sub>2</sub>
- Hydro Carbon-HC
- Nitrogen Oxide-NOX
- Oxygen-O<sub>2</sub>
- Dew Point
- Oil Mist
- Non-Viable Particle Count
- Hydrogen Sulfided-H<sub>2</sub>S

## All Type Of Chamber AMC & CAMC

NIVII LABS can service the AMC and CAMC all type of chambers like stability chambers, BOD incubators, cooling chambers, photo stability chambers, deep freezers, ultra-low cooling chambers & cold rooms.

## Master & Measuring Instrument Sale & CAMC

**Scope of supply:** All type of measuring and master instruments like Pressure gauge, Vacuum Gauge, Compound Gauge, Magnehelic Gauge, GPS/Server Based mater Clock, Digital Hygrometer, DP indicator, Temperature sensor, Clean Room Monitor, Data Loggers, Data Scanners, Transmitters, Temperature/RH Transmitters, SCR, RTD Sensors, all types of Thermocouples, Thermo- Hygrometer, Humidity Sensor & Controllers, UV meters, Anemometer, Manometer, Tachometers, Lux Meters, Sound Level Meters, PAO Oil, etc.,

## Technical Man Power Supply

NIVII LABS provide technical man power like electrical technician, fitter, plumber, Lab technician, instruments calibration engineer, validation engineer & helpers.

## Thermography & Earth Resistance Test

NIVII LABS can service the Thermography & Earth Resistance Test in all pharmaceuticals companies, Gas industries and Food process companies.
